MESSAGE

GLORY BE TO THE TRIUNE GOD

Dearly Beloved in Christ,

We belong to God (Romans 14:8) and have to live a life that conforms to His Commandments. We have a physical being as well as spiritual being. Our whole being consists of the spirit, the soul and the body (1 Thessalonians 5:23). It is very important to keep our whole being blameless and righteous in God's Sight.

Most often, we care about our physical being and not much about our spiritual being (inner self). St. Peter, the Apostle, reminds us that our inner self is precious in God's Sight (1 Peter 3:4). We should take good care of the inner self, when it comes to our relationship with our Lord God. The Holy Bible clearly teaches us that God searches the heart, tests the mind and rewards every one according to their deeds. The references to the heart, soul and spirit can be found in the books of the Old Testament and the New Testament. Just as how we maintain our physical being, we should maintain our spiritual being through regular constant prayers, reading and meditating on the Word of God, fasting and partaking in the Holy Qurbana.

We live in a fascinating world of technology and innovation. Which path will it lead us to, is based on knowledge understanding. We experiment our present using our past experience with an expectation that the future will be better, but lack of proper understanding can lead to uncertainties and insecurities in our thoughts and actions. Ultimately, it brings worry about our future and that of our children, as we are concerned about the safety and security of our loved ones.

The Light of God gives us hope and assuredness that He is always there to help and protect us. This spiritual light can help overcome the darkness that we are unable to perceive in our lives. When we sin, we fall short of the Glory of God (Romans 3:23) and thence we need to learn to depend on God's Holy Light to help us out. The Word of God, the Holy Bible acts as a spiritual light that can help us. Keeping in communication with God through reading of His Holy Word and participating in the Holy Church Worship.

As it says in Psalm 119:105, "Your Word is a Lamp to my feet and a Light to my path", let us all join ourselves in regularly reading of the Word of God every day. The Holy Bible is a living book full of light and wisdom, which not only gives us understanding and insight, but also guides us into the correct path of our journey towards our Lord God. Together with the Holy Bible and our Holy Church, we are able to gracefully be in the path towards 'Theosis' (transformative process that aims in our union with God). This Lectionary (Bible Reading Book) has been prepared specially to provide you with an organized approach that helps you to read the Bible in an orderly manner. Make it a point to read it every day.

I would like express my heart-felt gratitude to all who have worked together for it and pray that it helps all to read, learn and grow spiritually.

GOD Bless us all.
